### Issuing of an Internet Service Provider Licence

The Communications Authority of Maldives (CAM) plans to issue an additional Internet Service Provider licence to provide internet services in the Maldives. Accordingly, invitations are open for interested parties to apply for the licence.

A Request for Proposal Document with details on submitting proposals is available at CAM's website at <http://www.cam.gov.mv>. Interested parties may submit their proposals to the Communications Authority of Maldives.

Proposals should be submitted not later than **1300Hrs on Tuesday, 30 June 2015**, in a sealed envelope marked "Proposal on the Licence for Internet Service Provider" and addressed to:

*The Chief Executive  
Communications Authority of Maldives  
Telecom Building  
Husnuheena Magu  
Male', Maldives*

Proposals received after the closing time will not be accepted. Details of submission procedures are provided in the information document.
